**Thank you for choosing San Juan Sailing for your sailing instruction!
We hope you will find this checklist helpful for your planning.**

STUDYING

- The following texts (based on which weekend course you are taking) are to be used in conjunction with the course curriculum, found on our website.
ASA 101: *Sailing Made Easy* by ASA
ASA 103: *Coastal Cruising Made Easy* by ASA
ASA 104: *Bareboat Cruising Made Easy* by ASA
ASA 114: *Cruising Catamarans Made Easy* by ASA
You can order online through the ASA store <http://store.asa.com>, at Amazon or from your library. All books are also available on through iTunes and iBooks.
- Plan to arrive having fully prepared, reviewing the text along with the course curriculum, so that you're ready for written exam. You'll be too busy with hands on sailing to spend hours studying!

ABOUT YOUR CLASS

- Classes start 9am Saturday and end 5pm Sunday. Please arrive by 8:45am on Saturday, to check in for your course.
- All food provided for your weekend.
- Sailing can be a rigorous endeavor, particularly when learning. Be prepared to be very active while on a moving boat. If you are very sedentary, it would be a good idea to start a moderate exercise program including some upper body training.
- Alcoholic beverages are allowed at dock or at anchor. We do not provide them, but feel free to bring your own.
- Many people ask us if it is a common practice to tip their instructors. It is. Tip size varies quite a bit and is left to your discretion. 10-15% is common or \$25/day.

Pre-board Option on Friday (104 and 114 only)

Please contact us **2 weeks in advance**, if you haven't already. The cost for pre-boarding is \$40 person, and the boat will be available for boarding after 7pm.
